

This is the list for CLORV-endorsed candidates for districts in Northern California. Districts in **Bold** are considered to be hot races. Empty cells are for races where CLORV has not endorsed a candidate. **Also, please note that there may be more than one candidate endorsed in a race, since this is the Primary election.**

In a primary only registered Republicans can vote for Republican candidates and Democrats can vote for Democrats. Decline to States and Independents can vote in either the Republican or Democrat Primary, but not in both primaries. In many districts, CLORV has not endorsed for several reasons such as to see will be the candidates in the November General Election or because no CLORV questionnaire was returned. **\*- Denotes Incumbents**
