

Tools

for the future

#1. What do you need that you don't have?

#2. What do you need to know?

#3. What things do
you need that you don't have?

Has anyone solved these needs?

#1. What do you need but don't have?

#2. What do you need to know?

#3. What things do you need that you don't have?

Specifically,
what do you need
to meet your need?
